

## **Customer Service minded Truckload, LTL and Heavy Haul Broker**

### Description:

Brad Eldeen Logistics, Inc is a 3PL company based in Coralville, Iowa. As a team we have over 30 years in transportation experience ranging from Flatbed, Van Truckload, Oversize or Over Dimensional, Power Only, and Less than Load (LTL) shipments throughout the lower 48 States, as well as Canada and Mexico.

Using a non-asset based provider has its advantages:

Intermediaries simplify the transportation process by allowing you to make one simple call and know your shipment is taken care of.

Equipment can typically be sourced immediately and anywhere in our service area, under any circumstances.

Superior Customer Service is our motivation. We care about arranging your shipment and we promise to provide exceptional service at a fair rate.
